

University Mennonite Church Elders Report
February 17, 2019

We continue to appreciate Kate's leadership, questions and insights as she gets to know our congregation and community. We are beginning discussions about UMC's vision, and hope to create a way for us to have that conversation as a church in the year ahead.

In the past few months, we have granted requests for membership transfer to Jay Yoder (to State College Alliance Church) and Liz Hunsberger (to Community Mennonite Church), as well as a request for membership termination from Hillel Brandes.

Looking ahead, a space will be opening for a female elder in September.

Always the elders welcome your thoughts about anything related to church life – or are available to anyone who needs a listening ear. We welcome your prayers as we work together to care for our community.
