

Meeting House Committee Report
August 2, 2020 zoom meeting

The Meeting House Committee is continuously working on the following needs:

LIGHTING: The outdoor church sign has been replaced. Marvin put in a new wiring line and installed LED lights. While we are not meeting at the church building, the light is not lit at night.

HEATING SYSTEM: Marvin, Matt, and Jim R. are getting estimates to replace the church building heating system.

STEEPLE: At our congregational meeting on February 23, 2020, it was affirmed that the building steeple is beyond repair and must be dismantled. Marvin removed the steeple and patched the roof at a cost of \$170.

BUILDING MAINTENANCE: Sam and Marvin put aluminum fascia and plastic soffit on the part on the part of the building with a flat roof near the Norma Street entrance to the building at a cost of \$209.33.

SUMMER LAWN MOWING: Rodney Brubaker has been hired to mow the church property lawn as needed.

WORK DAY: Our Saturday, May 16 date was canceled due to COVID 19.
