

University Mennonite Church Elders Report
December 6, 2020

Elders have continued to meet the first Wednesday of each month via Zoom and we are joined by the Leadership Team every other month.

We provide support to Kate and one another, and we look for ways to care for and pray for members of our congregation.

Anyone who feels they are in need of assistance, support, or prayer should feel free to reach out to an elder, or Kate, at any time.
