

Children's Sunday School Committee Report for Dec. 2020- Feb.21

The CSS committee continues to meet met via zoom. UMC families were given Menno Media Shine Curriculum that includes children's activity books, for each age level that ends in March 21.

In December the SS Committee invited UMC children and their parents to a virtual Christmas caroling. A fun time was had by all!

In December the Children's Sunday School Committee invited UMC folks, young and old, to collect MCC School Kit contents. Thanks everyone who participated in donating MCC School Kit supplies and cloth bags in December. We were able to assemble 11 complete kits, with extra supplies to contribute as well. All will be delivered to MCC in February.

We will be supplying Spring quarter Shine materials to those families who asked for it this quarter.

Last week we sent out a Lent at Home worship guide for families created by MC USA.

January 2021, we began sending birthday cards to our UMC children!

Our Children's Sunday Committee has begun praying for our UMC children by name.

February 13th, we had a virtual Valentine's Day 'show and tell' for UMC children and their parents.

We are looking forward to warmer weather when we can try to have some socially distanced face to face interaction outdoors!

Report by Laura Litwiller for the UMC Children's Sunday School Committee
