

We have not met in person or on zoom during this COVID 19 “season”. Rather, we have emailed, texted, and phoned as needed.

The AA Group that meets regularly in our fellowship hall has not met in January and February. They plan to begin meeting again in March.

The most recent water bill showed there was a water leakage in the building. Marvin Hall found a toilet running when the handle stuck when flushed. A part was replaced.

Mary Derstein, Doug Yoder, and Marvin Hall walk through the building periodically for maintenance concerns.

An on-going process is getting estimates to replace the church building heating system. This is being researched by Marvin Hall, Matt Rooke, and Jim Rosenberger.
