

University Mennonite Church Elders Report
February 21, 2021

The elders have continued to meet the first Wednesday of each month via Zoom and we are joined by the Leadership Team every other month.

We have been working on our congregational pastor evaluation process, and will be focusing on how to create a renewed vision for UMC as we begin to think about life beyond the pandemic.

We continue to provide support to Kate and one another, and care for and pray for members of our congregation.

Anyone with concerns or in need of assistance, support, or prayer should feel free to reach out to an elder, or Kate, at any time.
