

A deeply appreciated “THANK YOU SO MUCH” to Kate and Ben for their commitment to making our Zoom church meaningful and for creating ways to keep us all attending.

PAST

Our two speakers this past season were:

Bob Yoder from AMBS, Elkhart, IN

Melody Pannell from Destiny's Daughter, Harrisonburg, VA

CURRENT

Kate has focused on Exodus for the sermons for January and February.

Lent started with Ash Wednesday with Kate leading on Zoom.

The theme that will be followed was written by Mennonite Church Conference of Eastern Canada worship resource team from the Mennonite LEADER MAGAZINE:

Deep Calls To Deep: Deep in the sea, deep in the woods, deep in the changing sky, deep in the wilderness, deep in the earth, deep in the current, deep in the feast.

FUTURE

Paul McReynolds, minister at Albright-Bethune and Park Forest Village United Methodist Churches, will speak on March 14.

Voices Together: our new Mennonite Church USA hymn book: services will include speakers and learning services.

THANK YOU to those of you who have volunteered for worship leading and children's time leading. If you would like to volunteer as a first time person or continue volunteering, please contact Ruth Kitchin Tillman for worship leading and Esther Prins for children's time leading.
