Mennonite Education Agency: Give thanks for the many teachers, staff and administrators in Mennonite schools who work hard to show God’s love to students and provide them with encouraging learning environments.

Announcements, July 31, 2016

There will be no Sunday school today or for the rest of the summer. Sunday school will resume for all ages on September 4.

The flowers on the piano today are in memory of LaMarr Kopp, who died August 2, 10 years ago.

Contribution Pledges Requested - Each year members and attenders of University Mennonite Church are asked to submit anonymous pledges indicating how much financial support they plan to give to the church budget in the coming fiscal year (September through August). The practice of making these commitments follows the Biblical principal of "first fruits giving"--the faithful practice of putting God first in our giving--not waiting to see what is left over after all the bills have been paid. We invite all community members to participate and submit a pledge. Please consider completing a pledge form and place it in the box in the foyer, or in the mailbox of our treasurer, Jim Rosenberger, or email your form to our treasurer at JLR@psu.edu. Pledge forms are due by August 7 and our church finance committee will use the pledges to help draft the church budget.

Committee Budget Planning – UMC committee chairs and representatives should provide budget requests (for the 2016-17 fiscal year) for their respective committees and positions, to the treasurer, Jim Rosenberger, by Sunday, August 7. You can view the most recent financial report (income and expenses) with the budget and year-to-date spending for the current fiscal year on the web at: <http://www.universitymennonite.org/cong-meeting-reports> (login in first) in the May 15, 2016 meeting reports. Please send budget requests or questions to JLR@psu.edu.

A UMC canoe trip is planned for Saturday, August 20 on the West Branch of the Susquehanna River between Clearfield and Shawville. This 11-mile section (4.5 hours of paddling) of the river is a remote stretch that winds through some gorgeous scenery. Eat a packed lunch on the shore before exploring a tunnel or two. Depart at about 8 am and return mid-afternoon. Please let Marvin Hall (231-1447, mhh2@psu.edu) know so that he can make arrangements and add you to the "canoe trip" email list.

My Coins Count

Refrain:

My coins count, my coins count.

Sitting in my pocket when they could be doing good.

My coins count. My coins count.

We can make a difference in the world.

Verse 1

If we look around us there are people that we see, all around the world,

Needing food and water or a chance to live in peace,

We can make a difference in the world, because my coins count.

(Refrain)

Verse 2

The gifts we are given we are given to be shared, all around the world,

Doesn't matter if they're big or small when used with care,

We can make a difference in the world, because my coins count.

(Refrain)

Verse 3

When we work together there's a lot we can achieve, all around the world,

Witnessing to others that we live what we believe,

We can make a difference in the world, because my coins count.

(Refrain)
