

Meetinghouse Report.
February 20, 2022

A vinyl strip curtain was installed in the outside stairwell leading into the fellowship hall. This is to restrict leaf and snow buildup in the stairwell which serves as one of the fire escape routes for the church basement. The cost was \$170.

Both sinks in the Library room were leaking so on/off valves were replaced. The cost was \$20.

The snowblower was taken for repairs. A buildup of dirt was found in the fuel line. The cost was \$75.

The Meetinghouse committee:

Mary Derstein, Marvin Hall, Doug Yoder, Sam Yoder, Gloria Horst Rosenberger
