

UMC MEETINGHOUSE COMMITTEE REPORT
SEPTEMBER 7, 2025

The renovation of the restrooms on the lower level of the building is going extremely slow due to employment worker issues. Contractor Keenan Jarvis plans to have it completed by September 12.

As of September 1, Mary Derstein has been added to the custodial staff with Doug Yoder. Her responsibility will be all the restrooms. This does not change the financial budget for custodial services since Doug's duties will be decreased.
