

**Children and Youth Program Committee Report**  
**November 2025**

Members of the Children and Youth Program Committee have been teaching children's Sunday school on second and fourth Sundays. Meredith Wideman and Laura Litwiller are teaching the younger elementary class (Andy, Timothy, Will, Ellie, Everett, Vivian, Jonas) and Doug Miller, with assistance from Jasiel Lira, is teaching the older elementary/middle school group (Alethia, Mira, Lena, Ben, Daniel, Amy). Bethany Spicher Schonberg is working with Carmen Groff and Meredith on a third-Sunday intergenerational Christmas celebration on December 21 for all the children, and will be sharing Advent resources for families by email.
