

Pastoral Search Report

November 2025

We are working very closely with our conference minister, Amy Yoder McLaughlin. Candidates send their applications to Amy, which she screens and forwards on to us.

The committee has received ministerial leadership information (MLI) applications from a few candidates, and we are beginning the process of communicating with them.

We will meet in person with Amy on Sunday, December 14, when she will be here to bring the morning message. She has strongly emphasized that we do not say too much so that we do not jeopardize the confidentiality of the candidates. She assured us that the process is slow and that there is no perfect candidate.

Your pastor search committee members are:

Doug McPherson, Emily Pakhtigian, Jasiel Lira, Jim Pierce, Leah Witzig, Marvin Hall, Sally Minnich, Shelly Davis, Chair Gloria Horst Rosenberger.
